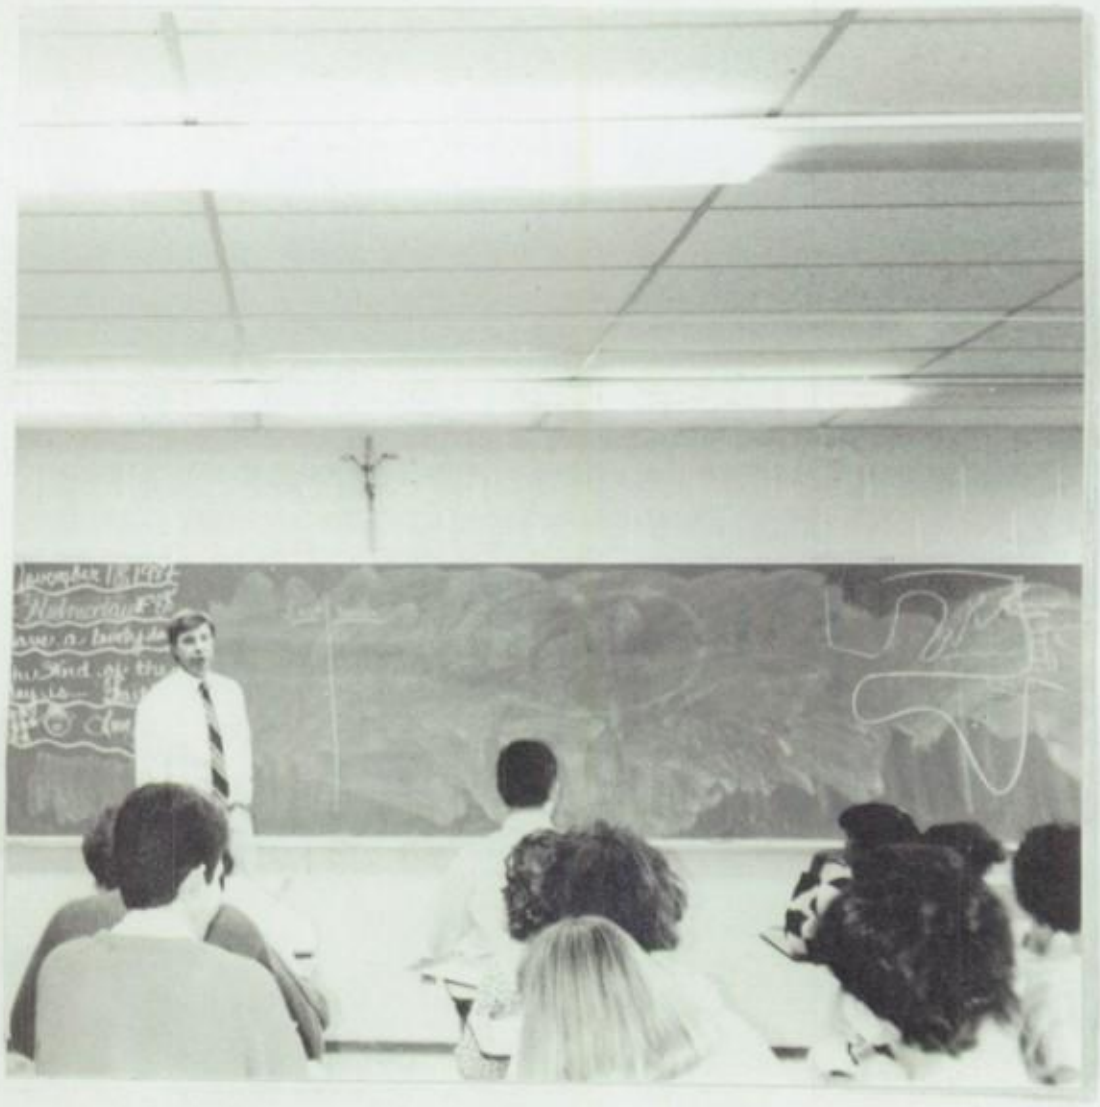
## "DON'T LET THIS DAY SLIP AWAY"

As the final moments of commencement drew near, the graduating seniors had time to contemplate the last four years they spent at Borgess. For all, graduation meant the beginning of a new life. Each student would be going his own way, into varied futures.

Valedictorian Suzy Stokes, and Salutatorian, Mike Ghedotti, delivered their farewell speeches, expressing what they remembered best about Borgess.

The nineteenth commencement ceremony was highlighted with a speech by Mr. John Klipp Superintendent of Catholic Schools.

The class of "88" will be remembered for its fine goals and accomplishments.

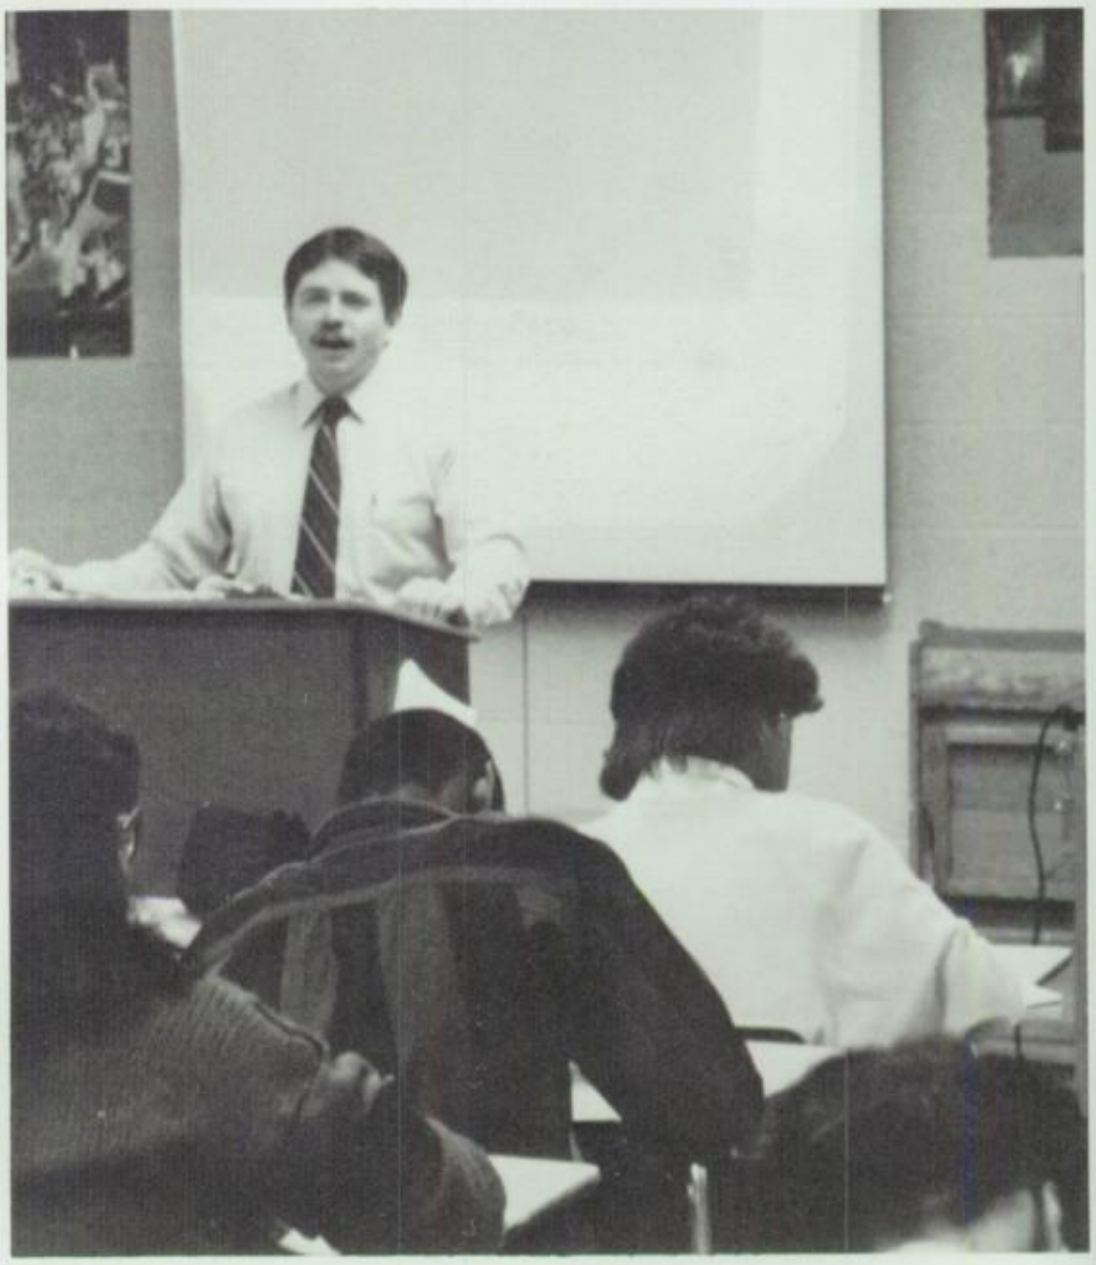


# Academics

# SOCIAL STUDIES

85' Graduate Joe Mullally discusses campus life with Mr. Baron's Government Class.

Freshmen show their enthusiasm in Mr. Krzyszczak class



The Social Studies department strives to develop citizens who are knowledgable of their past, active participants in the present and planners of their future. Courses of study include requirements in World History, U.S. History & Government, as well as Electives in Geography, Sociology, Psychology, Michigan, America Since World War II, College Psychology and Advanced Placement History. Students were involved in a variety of activities which included Role Play Simulations, Mock trials, demonstrations and field trips.

Hey Dude! Where's my next class?

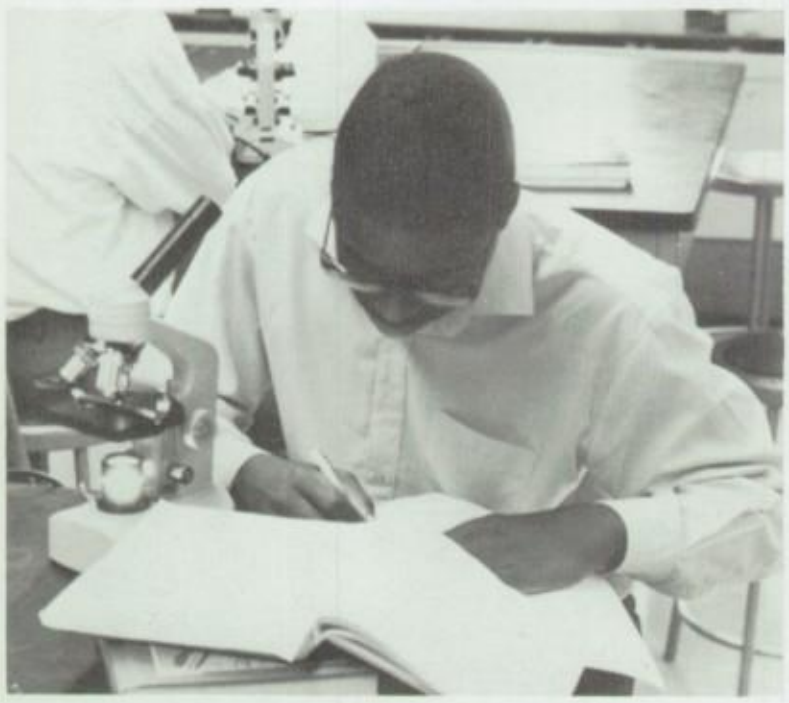
Freshmen looking mellow in Mr. Secrest's Religion class.

The religion classes at Borgess create the opportunity for students to discuss and experience how faith in God can affect the numerous decisions they make in their lives. The courses are practical and focus on the opportunities and problems faced by anyone who wishes to live his or her life based on a belief in God.

# SCIENCE UNDERGOES CHANGES

Physics students show enthusiasm.

Chemistry students take school seriously.



Biology students working on experiments.

The Science Department is undergoing some revisions. Next year two new courses will be added to the curriculum. One of these courses is Physical Science-a course that is one semester of elementary physics, and one semester of beginning chemistry. This course offers students who take Fundamental Biology, a choice for their second year of science. At present, the only course open to these students is electronics.

The second course, called "Chem Com", will replace General Chemistry. After an evaluation during the past two years, the teachers of the course decided that General Chemistry was not meeting the needs of the students. Chem Com, and abbreviation for "Chemistry in the Community" is designed primarily for those students who do not intend to pursue careers in science.

The department consists of five teachers: Mrs. Brand and Mr. Fogel in the physical sciences, Mrs. Russell in physical science and life science, Miss Rzepecki and Miss Kaus in life science.

Students take time out for a picture.

Miss Kaus helps out some students.

# IN MATH, THINGS ADD UP

Mrs. Wallenmaier explains the homework.

Pre-Calculus students are hard at work on their test.

Algebra students compare homework answers.

Students show enthusiasm for Algebra.

The Mathematics Department caters to a variety of student interests, needs and abilities. The range of classes offered makes it possible for any student to select a four year Math Program. The greatest strength in the Department is the availability of the teachers to work on a one to one basis with students. Bishop Borgess has won the regional division in the Michigan Math League for the past two years. Needless to say-The Department is proud of the efforts and the progress that the students are making. Involvement and daily homework contribute to the success of student achievement.

Pre-cal students listen to Mrs. Balogh.

Sue Woodall and Lisa Kokoszki have fun in Spanish.

Jim and Mrs. Gugala watch Susan Stokes.

This year the emphasis was on speaking Spanish & French in the classroom. Students practiced using the language by acting out various situations and by memorizing dialogues. Spanish 3rd and 4th year students traveled to Spain during the Easter break.

We would like to welcome to Bishop Borgess, Mrs. Sarah Mays, who studied French at Western Michigan University, and who is now the French teacher at Borgess. We would also like to congratulate Mrs. Gugala for becoming the new department head in the language department.

"After silence that which comes nearest to expressing the inexpressible is Music."

The Borgess Music Department is much more than Varsity Band, Madrigal Choir, Mixed, Beginning or Jazz. It's more than the many functions ie: parades, pep rallies, liturgies, concerts, and football games. We are a gathering of people who together become more human, recognize beauty, more sensitive, closer to an infinite beyond, more compassionate, more gentle, in short, more life!

Of what value will it be to make a prosperous living unless you know how to live?

The Art Dept. went through a staff change for 1988. Mrs. Diane Heath joined the Department in September after teaching two years in Mattawan Mich. Mr. Russell Van Ness replaced Mrs. Heath in January. Mr. Van Ness previously taught in Melbourne, Australia. For 1988 the photography classes have been very popular, doubling its class size over the last two years. The Art Dept. has been involved in several Art Shows such as Scholastic Art Awards, The Spring Fashion Show, and Spring Concert and Art Show.

# DRAFTING DEPT. PROGRAMS

Mr. Rowe writing out those F's.

This year's Drafting Department was very busy with the participation in the Art Show, and many students were eager to strive their best to get their projects in. In Drafting 1&2, Isometric drawings were introduced to them plus their drawings of a basketball, net, and backboard floor plans. A baseball field is included in their year project. In Drafting 3&4 the class studies mechanical, pattern, pictorial, architectural, machine, and computer drawings. Drafting 5&6 includes a floor plan of a summer house showing perspective, and the surrounding landscape.

The girls Varsity Volleyball Team had an excellent season. According to Head Coach Abraham the team was disciplined and hard working right to the end. Needless to say the "88" season looked bleak when the girls finished in 3rd place at the League Finals, but with a "Never Say Die" attitude the girls rallied to capture the District and Regional Championships. The season was highlighted by the team becoming the Runners-Up at the State Finals. Congratulation Girls for a job well done.

# A REAL CLASS ACT

Bishop Borgess High School is very fortunate to have such great athletes attend school here. Because of the dedication these athletes gave to their sport, team, and school, they are now winners. The Girls Varsity Volleyball team went 33-13 in season play, and won the title of Class B State Runners Up.

The Boys Varsity Basketball team went 24-4 their best record yet, to win the title also of Class B State Runners Up. Congratulations!

# BORGESS HOSTS BASEBALL BENEFIT
